16 Days of Activism -Action Campaign to stop Violence against Women

25th November to 10th December 2014

One in three women worldwide face abuse, violence and rape every day. There is no country in the world, where women are free from this fear and terror. In India, **4 in five women** experience domestic violence during their lifetime. In 2004 Pahal has used the 16 Days Campaign to raise awareness of the reality of GBV [especially domestic violence & Sexual Violence at public place] and to push for positive change to increase women's safety. Women's support services, groups under the Local Community and Development Program, student groups, and others hold local awareness raising events throughout the city during the 16 Days of Action.

The Campaign grows every year with more people getting involved and speaking out about violence against women.

The 16 Days Campaign provides us all-community groups, students, NGOs and individual activists, each and every one of us- with the opportunity to break the silence around gender based violence. By organizing events in our local communities that highlight the issue of GBV and promote the services available for women, we make the issue visible, we give hope to women who are suffering and we hold perpetrators of abuse to account.

Why those dates?

The 16 Days of Activism against Gender Based Violence is an international campaign that was started by the Center for Women's Global Leadership (CWGL) in 1991. The 16 Days runs from November 25, (International Day against Violence against Women) to December 10, (International Human Rights Day) to symbolically link violence against women and human rights and to emphasise that such violence is a violation of human rights. This 16-day period also highlights other significant dates including December 1, which is World AIDS Day, and December 6, which marks the Anniversary of the Montreal Massacre in 1989, when 14 women students were massacred by a lone gun-man opposed to the affirmative action policies promoted by feminists at the University of Montreal. The 16 Days period includes other significant dates like International Human Rights Defenders Day (29th November), World Aids Day (1st December) and the anniversary of the Montreal Massacre (6th December).

Theme of VAW Campaign 2014:

"From Peace in the Home to Peace in the World:

Let's Challenge Militarism and End Violence against Women."

PAHAL for gender Equity in line with one of its objectives to partner with like-minded organizations is joining other groups across the world to mark the 2014.

What are the aims of the Campaign?

The 16 Days Campaign is an opportunity for individuals and groups around the world to call for the elimination of all forms of violence against women by:

- Increase women's safety
- Highlighting the nature and prevalence of violence against women
- Raising awareness of violence against women as a human rights issue
- Showing solidarity among women around the world
- Promoting women's leadership
- Strengthening local work to tackle violence against women

Pahal is active in capacity building and issue based networking since 2003. The primary focus of PAHAL is to empower women through means of advocacy, economic rehabilitation, Gender justice, child & maternal health also to ensure child rights to attain better health, future and dignity for them. Our ultimate goal is to help create a discrimination-free, violence-free, fearless, healthy, beautiful, secure and equitable society, which ensures livelihood opportunities and health for all.

In line with this aims, the following activities have been implemented for the campaign period.

Campaign Brief

To celebrate 16 Days of Activism 2014, Pahal, Icandle and Safe City Initiative will jointly hold events at INDORE on “Women, Violence and Security”. This year marks the 10th joint event of campaign by likeminded Agencies of Indore .

1. Inaugural Event

Date: November 25th 2011

Venue: Palika Plaza,Indore

It was Inaugural event of campaign at Palika Plaza, Indore. It starts with briefing of Campaign history to audience and Media persons. After that a skit on violence against women [VAW] was played by placement student of MSW with agency. Skit is based on the cycle of violence in women's life, its affect and also the positive measures to stop violence. Then discussion was held with audience on VAW. Mr. Sanjay who are the part of audience said that we never thought that it gives a pleasure for a seconds to a man but can destroy the women's whole life. From today I will never commit this type of act and try to stop others.

Many of them from audience raise the question about clothing; provoking behavior of women is a reason for VAW. But Point was cleared after discussion that only the patriarchy, secondary status of women & bad intension of man & boys are the reasons behind it. At the end of discussion all were take oath to stop violence against women. Anupa highlighted the campaign's importance in present scenario on 25th November, and for a post briefing conversation around gender based violence in Indore, the role of the social responsibility of the public & media. Approximate 100 people are being part of it.

Orientation on GBV and leadership for young boys & Adolescents

26th November 2014

Mansab Nagar Madarasa Bhavan, Indore

One of the most significant changes that will have a great impact in the development process and leadership is the involvement of adolescents in leadership. With the influence of globalization and modern social media, teens of today desire different things from teens of yesterday. PAHAL recognizes the strategic importance of mentoring leaders while they are young especially as leadership skills can be learned by those who might never imagine themselves playing such prominent role in the world to stop violence against women. In view of this, PAHAL organized a one day Orientation on GBV for young & adolescent's boys & girls in Mansab Nagar Madarasa Bhavan. More than 35 adolescents was there for orientation.

Boys against Violence against Women (BAVAW) talk

29th November 2014

Shri Hari Kanya Uchhtar Vidyalay's conference hall, Rau

Globally, there is more recognition of the need to involve men and boys in the campaign to end violence against women. Since 2005, Pahal has translated this strategy of involving men and boys to address gender based violence to local advocacy mobilizing and action. In the Series of campaign activity this year, Pahal organized a talk at School where boys are equipped with the knowledge on anti gender based violence messages and

positive leadership matter to stop violence against women. This Talk was

In-house Self defence training for Girls

Facilitated by Mr. Ahtesham from Pahal with the help of Ashok for 35 boys.

29th November 2014

Shri Hari Kanya Uchhtar Vidyalay, Rau's conference hall

PAHAL's self defense Training Program provides training for women and girls on the recognition, avoidance, abatement, and prevention of safety and hazards in home & workplaces. The training also provides information regarding rights and how to file a complaint. Through this program, women and girls can attend 2 to 21-hour classes delivered by authorized trainers. The 4 hour class is intended for 65 girls at school with some safety responsibility. Through this training, PAHAL helps to ensure that women and girls are more knowledgeable about hazards and their rights. So that they can give their 100 % contributes to development of their own & nation's. Anupa has taken Safety sessions for girls & Ms. Charusheela Maurya has deliver vote of thanks.

Consultation Meeting with TB patients

30th November 2014

Meetings has been conducted at Pahal's Khajrana Medical Centre .PAHAL Khajrana Medical Centre provides comprehensive health services to the poor slum dwellers of local area. Centre is emerging as a vaccination and immunization centre and Akshay care center especially for children and pregnant women. Objective of consultation meetings is to organize as network to advocate for TB patients rights and support.

As Khajrana is vulnerable area for air/water borne diseases, due to high density of population in this area the chances of infection are much from one person to another. During meeting it had been discussed that women & children's are more vulnerable to tuberculosis due to discriminatory practice of society. If women become TB patient's chances of GBV is also increases. This group is named as "T.B club" which will advocate to Stop T.B. in Indore district. 34 TB patients were participated in meeting.

Workshop on GBV with youth

30th November 2014

Maruti nagar's youth group members.

Maruti Nagar Community center,Indore

Under safe city program at Indore youth of different slum were organized in group to stop violence against women. They were getting training in different aspect of gender based violence and its impact. In this series one day youth workshop on GBV was organized at Maruti Nagar for Bholenath colony and

In this workshop concept of Gender, its causes & effects, masculinity, dangers places and acts for women and girls are discussed and also plan was made by youth to stop violence against women at both home & public places. 32 youth was participated with Facilitator Anupa & Praveen.

Community Based Safety Audit

Community safety audits help to identify good (safe) and bad (unsafe) parts of a place. Audits generate a site evaluation and improvement plan which becomes a report card on what needs to be maintained, improved and change. SA conducted in five stages: preparatory work, the walk itself, recording information & mapping, developing recommendations and follow up action.

Through exploratory walk observation of unsafe zones came in discussion. The major concerns are Main road, Poor electricity, water & sanitation, Empty space & city transport. Unsafe zone identified need to work on to make it safer. Through the SA, participants identified several factors in the physical environment which contributed to insecurity and exclusion. Safety Audit was conducted in Aman Nagar, Eshwar Nagar & Mansab Nagar during campaign.

AIDS/HIV DAY Observation

1st Dec 2014 **Jaypuriya Institute of Management, Dakachya, Dewas Road Indore**
on 1st December 2014. Pahal conducted Snake and Ladder games with positive & negative messages on gender based violence. For each positive message, participant goes up through ladders and for each negative message; participant goes down by snake bite. It is printed on 10X10 flex and a special dice designed for this game. The game explored the various aspects of discriminatory practices in Indian family & culture and their relationship with gender based violence.

Total 56 management student of Jaipuria Institute of management enthusiastically took part in the game and raise serious concern to stop sexual harassment, domestic violence and domestic discriminatory practices towards the girl & women in society .

Teacher learns that how gender norms affect the society

2nd Dec 2014

Shri Hari Kanya Uchchatar Vidyalay,Rau's conference hall

Its not easy to create learning atmosphere for children but its most difficult to teach teachers. Lesson learnt while taking session on Gender with teachers of Higher secondary school. When workshop stated most of them are not even aware that women has secondary status due to the discriminatory societal norms.

They said that its nature or god who made women backward,weak. But after Brain storming and group activity it was clearly understood that gender norms are made by society which gives power to man to rule over the women & society. Later it was discussed that by changing the role & responsibility at school,we can promote gender justice behavior in the society. Experience sharing by all 21 teachers was adorable and thoughtful part of the session.

Orientation on GBV & blood Donation camp

9th Dec 2014

Minda Sai Company,Pithampur

The “Violence against Women Poster Exhibition” has taken place at Minda Sai Company, Pithampur premises and pamphlets with awareness massage were distributed among visitors. Orientation on GBV and its impact on women's health was delivered by Mr. Praveen Gokhale. It was discussed that most of Indian women are died before/after delivery or during pregnancy due to Anemia.

Gender based practice of society encourages family to do not take care of women & also women do not understand importance of herself.

Due to this discriminatory values and rules 70 % women become anemic in Indian society. They need to take care as mans are being cared but it will take to change the whole society. So We can help those anemic women by donating our blood. It impacts on worker and they promised to donate blood regularly for well being of women. Along with this Blood donation Camp was organized with the help of MY hospital of Indore for workers of Minda Sai Company. The activity was coordinated by Praveen Gokhale and supported by Ahtesham. Program was organized by Yogesh Shukla, Minda Sai company. Approximately 150 people were participated in this program.

Celebrates the anniversary of the Universal Declaration of Human Rights

10th Dec 2014

Gandhi Hall,Indore

The event was organized at the heart of city a place, called Gandhi Hall. A street play prepared by MSW Student was about the violence against women. Violence starts before the birth of a girl child and how it makes a dark shadow in her life and keeps her in dormant stages of life. But the skit ends with a positive gesture that things are possible to change if we wish and willingly ready to give a space and consider

women as human being. The skit was appreciated by all. After this he inaugurated an exhibition where in posters and information was demonstrated about the VAW activities and A series of posters were hung in order to show the kinds of violence and how to get rid from it. In all there were 60 such posters and 10 other informative posters.

Mayor of Indore Shree Krishna Murari Moghe conducted the Oath taking ceremony, all the participants stood up and took the oath. Soon after this he gave signal to Human chain by showing a green flag and human chain started. It was really a big chain which started from Gandhi Hall and ended up to Regal Square. Approx 500 persons took part in it and formed the chain. All of them had posters, flip cards and flash cards with slogans . People passing by were amazed to see the chain and stopped and asked about the event. Some of them said this is right time to start such programs in Indore, as Indore is facing problems of violence, number of rapes is increasing.

POSTER EXHIBITION ON VIOLENCE AGAINST WOMEN

25th Nov to 10th Dec 2014

Every Event Place

The “**Violence against Women Poster Exhibition**” is a public awareness and educational tool designed to highlight the global issue of violence against women. It focuses primarily on the issues of domestic violence, rape and sexual assault,

child sexual abuse etc. Additionally it also includes women's Law & Rights related to issues such as DV Act, rape, sexual assault, child abuse and the practice of female feticide. The power and impact of each poster allow the message to get across that all forms of violence against women is totally unacceptable. The format of the exhibition focuses on the issues through specific categories such as: -

The Extent of the problem, Gender Roles, Campaigns aimed at society , Effects on Children, Child sex abuse etc.

This exhibition has already taken place in different places of Indore & Barwani during campaign. The exhibition is not a campaign citing that men are the only perpetrators of domestic violence but the exhibition has always acknowledged that Violence is not acceptable in any manner with anybody. The message is very simple **No-one deserves to be abused and that is irrespective of gender.**

At last pamphlets with awareness message were distributed among visitors. PAHAL's volunteer outreach teams in Indore & Barwani also organize various social advocacy activities (e.g. media briefing, street campaigns etc) to raise awareness against GBV. PAHAL believes that these activities will further enhance public knowledge of GBV and opportunities/avenues for access to justice for the violated—all geared towards ensuring that '*Women's Human Rights become an integral part of everyday life*'

Outcomes

- An increased awareness by the general public, the media and other state agents towards addressing cases of violence against women and girls – especially domestic violence & sexual harassment at public place.
- Increased awareness amongst men and boys on women's human rights in general, and different dimensions of violence against women in particular
- Beneficiaries committing to initiate programs e.g. students initiating social media activities in collage and institutions, to campaign.
- Increase and strengthen the network of men and boys who campaign against VAW

अंतरराष्ट्रीय महिला हिंसा विरोधी दिवस पर नुक्कड़ नाटक का मंचन

जीना है मुझे हिंसा बिना प्यार और सम्मान से

पालिका प्लाजा परिसर में अंतरराष्ट्रीय महिला हिंसा विरोधी दिवस पर नाटक का मंचन करते स्टूडेंट्स।

दबंग रिपोर्टर ■ इंदौर

जीना है मुझे हिंसा बिना प्यार और सम्मान से, इसी पुकार के साथ मंगलवार को पालिका प्लाजा परिसर में अंतरराष्ट्रीय महिला हिंसा विरोधी दिवस के उपलक्ष्य में 'पहल' जनसहयोग विकास संस्थान द्वारा चलाए जा रहे हिंसा विरोधी अभियान के तहत महिला हिंसा रोकने के लिए नुक्कड़ नाटक का

मंचन किया गया।

इस अभियान से जुड़ी अनुपा ने बताया आज का दिन उन तीन बहनों मीराबल की याद दिलाता है जिन्होंने शासन के खिलाफ नारीवादी आंदोलन की जगह बनाई और जिसके बदले उन्हें बर्बरतापूर्वक मौत के घाट उतार दिया गया। 25 नवंबर 1960 का वह दिन सुनहरे शब्दों में लिखा गया जब डोमेनिक गणराज्य की तीन

बहनों ने तानाशाह शासक के खिलाफ विद्रोह का बिगुल बजाया था। 1981 में कोलंबिया में आयोजित नारीवादी एन्क्यूएंट्रो में मीराबल बहनों की इस कुर्बानी को याद करते हुए 25 नवंबर को महिला हिंसा विरोधी दिवस के रूप में घोषित किया गया। तभी से यह दिन महिला हिंसा के खिलाफ आवाज उठाने वाले प्रत्येक समूह के लिए खास बन गया।

**इंदौर भी
असुरक्षित
शहर**

इस मौके पर संस्था सचिव प्रवीण गोखले ने बताया आज इंदौर महिलाओं और बच्चों के लिए सबसे असुरक्षित शहर हो गया है। भारत के 53 असुरक्षित शहरों में एक शहर इंदौर भी है। इस अवसर पर सेफ सिटी परियोजना की पूरी टीम, नगर निगम के सहायक आयुक्त देवेन्द्र सिंह, नोडल अधिकारी चौहान, सिटी टीम के वसिम इकबाल, हिमांशु व संस्था के सचिव प्रवीण गोखले मौजूद थे।

महिला हिंसा को लेकर परिचर्चा का आयोजन

महिला कानून के प्रभाव व वर्तमान परिदृश्य को लेकर चर्चा की गई

इंदौर। पहल जनसहयोग विकास संस्थान एवं आई कैन्डल संस्था महिला हिंसा के खिलाफ इंदौर शहर में पिछले 10 सालों से अभियान का संचालन कर रही है। 25 नवंबर से 10 दिसंबर के बीच चलने वाले इस अभियान के आठवें दिन श्री हरि विद्यालय में शिक्षिका समूह के साथ महिला हिंसा के विभिन्न रूपों, इनके प्रभावों एवं संबंधित कानूनों पर परिचर्चा आयोजित की गई।

इस परिचर्चा में सामाजिक कार्यकर्ता सुश्री अनुपा ने बताया कि महिलाओं के साथ गर्भ में भ्रूणावस्था से ही हिंसा की शुरुआत होती है और जीवन पर्यंत चलता रहता है। छेड़छाड़ और बलात्कार, घरेलू हिंसा की घटनाओं को देखते हुए साफ प्रतीत होता है कि भारत में इंदौर व्यवसायिक राजधानी की बजाय आपराधिक राजधानी बनता जा रहा है, इसका मूल कारण है हिंसा की घटनाओं पर हमारा मौन साधना। हमारी संस्कृति में मौजूद दहेज, ब्रूचट व घर की बात को घर में रखने की कुप्रथा व

कुविचारों की तिलांजलि देनी होगी वरना वह दिन आएगा जब सिवाय पछताने के हमारे पास कोई रास्ता नहीं होगा।

संस्था सचिव प्रवीण गोखले ने चर्चा के दौरान कहा कि शहर में चैन चुराने वाले चोरों को पकड़ने, दंगों को रोकने, यहाँ तक की दुर्घटना को रोकने के लिए भी सरकार व्यवस्था कर रही है परंतु लड़कियों/महिलाओं के साथ आए दिन होने वाली छेड़छाड़ जो कि एक यौन हिंसा है, उसे रोकने के लिए कोई सार्थक व ठोस कदम नहीं उठाती। इस चर्चा से यह समझाने का प्रयास किया गया कि अगर शहर में विकास होने के बाद भी लड़कियां कहीं सुरक्षित नहीं तब इस शहर का विकास किस काम का ? साथ ही इस पर भी चर्चा की गई कि सभी जानते हैं कि महिलाएं आयकर अधिनियम 1961 की धारा 80 जी। 511 अप। के अधीन मान्यता प्राप्त की बहुत अच्छा सफाई करती हैं तो अब वक्त आ गया है कि अपने घर, मोहल्ले के साथ-साथ पूरे शहर, प्रदेश व देश

में हिंसा का सफाया किया जाए। इस कार्यक्रम में विद्यालय की प्राचार्या सुश्री चारुशीला मोर्य ने आभार प्रदर्शन किया और स्कूल समन्वयक राजू मोर्य ने

आश्वासन दिया कि इस हिंसा विरोधी गतिविधियों का संचालन साल भर किया जाएगा स्कूल के समस्त शिक्षिकाएं एवं अन्य कर्मचारीगण मौजूद थे।

प्राचार्यों का नेतृत्व विकास प्रशिक्षण 4 से 13 दिसम्बर तक

इंदौर। शासकीय विद्यालयों के प्राचार्यों के नेतृत्व विकास प्रशिक्षण का अगला बेच 4 से 13 दिसम्बर तक होगा। प्रशिक्षण में 53 प्राचार्य भाग लेंगे। इन्हें 4 से 8 दिसम्बर तक पीजीबीटी कॉलेज स्थित माइक्रोसॉफ्ट अकादमी में कम्प्यूटर प्रशिक्षण दिया जायेगा। इसके बाद 9 से 13 दिसम्बर तक आर.सी.व्ही.पी. नरोन्हा प्रशासन अकादमी में हविद्यालय प्रबंधन एवं शैक्षिक प्रशासन हस्त में प्रशिक्षित किया जायेगा। पूर्व में प्रशिक्षित अथवा जिनकी सेवानिवृत्ति के लिये एक वर्ष से कम समय है या निर्वाचन कार्य में संलग्न प्राचार्य को प्रशिक्षण से छूट रहेगी।
