FOREWORD

In 2017-18 PAHAL continue to work on to accomplish the mission of Gender Equity. PAHAL is committed to empower women through Gender Equity Programs, awareness on legal laws for women & children, vocational training programs and education for all. PAHAL aims the holistic development of women in economical as well as social life too.

Beside Gender Equity programs PAHAL also works on cross sectional issues like Health, Education, Livelihood and climate change to empower community especially the women and girl child. PAHAL implementing a wide range of programs like SAMBAL, Khajrana Medical Centre, Special classes for drop out children, SHG development and Skill development programs in Indore, Barwani, Khargone and Burhanpur.

This report includes learning and outcomes of programs implemented in the financial year 2017-18. Our programs are catering the target population as per their need with strategic planning. In coming year also we will develop a holistic plan to cover all target population in PAHAL intervention area.

In the context of the Plan, PAHAL is looking forward to serving as a voice for people living in poverty and adding value in Gender Equity and ensuring recognition for the work of PAHAL. Also looking forward to working with like minded partners around the world and I would like to thank all of our supporters, donors, partners, staff, volunteers and campaigners for their valuable contributions.

ABOUT PAHAL

PAHAL JAN SAHAYOG VIKAS SANSTHAN, Indore (M.P.) is registered under “Society Registration Act 1973”. It has been working in Indore city and also associated with other district of Madhya Pradesh since 2003. It has vast experience on working with gender issues including gender based studies in the city of Indore, Barwani, Jhabua and in Bhopal. The organization is of international and national repute and recognized by Voluntary Support Organization (VSO International, UK) under International Citizen Services on 'Secure Livelihoods through communication and gender participation' and TISS, Mumbai and ISSW, Indore for deputing the post graduate students to learn and gain the skills of social development and complete the internship/field works. PAHAL, from 2003 to 2018, undertook programs specifically to provide succor to distressed girls and women. Providing personalized counselling, guidance and training to needy women facing domestic violence and other gender-based problems, besides conducting several gender-sensitization programs for varied target groups -- esp. adolescent girl, boys and young women.

PAHAL is providing its services as a resource agency on the issue of Gender equity and women rights. Throughout the state PAHAL organize capacity building programs for various Government and Non Government Organizations. PAHAL involves in establishing of CASH (Committee against Sexual Harassment). At field level PAHAL actively involves in sensitization/orientation programs on Domestic Violence Act 2005, Violence against women and promotion of gender equity laws. PAHAL also counsel the victims of domestic violence and harassment and guide them about the legal procedures, assistance in help from protection officers, police department, Women & Child Department and also facilitate the victims to link with HRLN (Human Resource Law Network) for legal assistance.

PAHAL is also a part of FEM (Forum to Engage Men) and Men's Action for Stopping Violence against Women (MASVAW). These are national level Network which seek help in designing of program activities and log frame of the project especially in the field of Men/boys against Women Violence.

MISSION

“To create an environment for gender just society and to eliminate discrimination so that women's will have equal opportunities to access, control and benefit over the development”.

PHILOSOPHY

“PAHAL has a firm belief that the process of development is not just time scaled and target oriented. Development is a process in which creation of conditions for development is more important and result development should have added value i.e. it must be qualitative, sustainable and equity oriented”.

JHULA GHAR - BURHANPUR

PAHAL running a Jhula Gahr (crèche) in Burhanpur, this centre is running with the support of Women and Child Development Department of Burhanpur. The crèche focuses on children of 6 months to 6 years, of working women in rural and urban areas who are employed for a minimum period of 15 days in a month, or six months in a year. The objective of the crèche is to provide day-care facilities for children (6 months to 6 years) of working mothers in the community and to improve nutrition and health status of children.

?

Jhula Ghar provide an integrated package of the following services:

Day care Facilities including Sleeping Facilities.

Early Stimulation for children below 3 years and Pre-school Education for 3 to 6 years old children.

Supplementary Nutrition(to be locally sourced)

Growth Monitoring.

Health Check-up and Immunization.

CHILD RIGHTS CAMPAIGN

On 20th November 2017, the National and international community celebrated the 25th anniversary of the adoption of the Convention on the Rights of the Child (CRC) by the United Nations General Assembly. To mark this Silver Jubli anniversary, PAHAL in collaboration with TDH and community partners organized a seven days celebration.

The celebration focused on the theme “Children's right to protection from exploitation, abuse and all forms of discrimination, & right to play” and provided an important opportunity to bring together community, government and nongovernmental organizations, children's and youth groups, academicians and all others interested in the CRC. The celebration took place in Indore and Barwani from 14th Nov to 20th November 2017.

A series of play (drama) was organized at Indore and Barwani on child rights names as “BolBindaas” and activities related to “Right to Play” including campaign on Right to Play were organized in Indore and Barwani.

SHG DEVELOPMENT PROGRAM

National Urban Livelihood Mission (NRLM) and PAHAL running SHG (Self Help Group) development project in Burhanpur. Project envisages empowerment of economically deprived communities (women) through development of SHGs/Cluster/Federation to improve their economical situation though involvement in sustainable mode of income generation and make them efficient enough to take part in decision making which are related to their personal, socio-economical and cultural. To establish and increase micro-credit linkages for SHGs. Apart from financial inclusions of SHGs, the project coordinate with Block and District Administration to get information and to link the schemes and entitlements for women from the target communities.
